

CANADIAN NIAGARA POWER INC.

A FORTIS ONTARIO  
Company

## **INFORMATION BULLETIN**

August 15, 2003

Canadian Niagara Power Inc. would like to notify its customers in Fort Erie and Port Colborne that the Company has been put on notice by the Independent Electricity Market Operator, who controls the power grid in Ontario, that customers may experience low voltage, brownouts or power interruptions over the next few days as the electricity system is restored and stabilized throughout the province.

All customers are strongly urged to reduce their power usage for the next 24 – 48 hours by disconnecting all non-essential equipment. Canadian Niagara Power would like to thank all of our customers for their patience during this difficult period.
