Canadian Niagara Power Donates \$15,000 to Fort Erie Skate Park

For immediate release

October 21, 2009 (Fort Erie, Ontario) - Canadian Niagara Power Inc. (“CNPI”) announced today that it is making a \$15,000 donation in support of the new Fort Erie Skate Park. This donation will be earmarked for the purchase of new high efficient electric lighting being installed at the park. This donation was made possible through an initiative agreement between CNPI and the Ontario Power Authority’s Conservation programs.

“Our Company recognizes the need for such a valuable community project that offers a safe and fun environment for our children and their families. With this donation, CNPI is once again able to partner with the Town to enhance Fort Erie’s parks and recreation system for the benefit of our residents,” said Bill Daley, President & CEO of CNPI.

“The Fort Erie Skate Park is a much needed and long awaited addition to Fort Erie’s parks system”, stated Fort Erie Mayor Douglas Martin. “Members of the community have spent many years working towards this goal. I join them in applauding Canadian Niagara Power for its continued commitment to this community, and for helping to turn this dream into a reality.”

FortisOntario is headquartered in Fort Erie, has operations in electricity distribution and transmission and serves approximately 65,000 customers primarily located in Fort Erie, Port Colborne, Cornwall, Gananoque and the Algoma district of Ontario and meets a peak demand of 296 MW. FortisOntario is 100% owned by Fortis Inc. of St. John’s, Newfoundland. For more information on FortisOntario, please visit the corporate website at www.fortisontario.com.
